

WEST FELICIANA PARISH GOVERNMENT

PROPOSED ANNUAL BUDGET

FISCAL YEAR 2025 - 2026

PRESIDENT'S MESSAGE

I am pleased to present the proposed fiscal year 2025-2026 budget. This budget reflects our continued commitment to the quality of life for every citizen. This includes infrastructure improvements, new initiatives to increase recreational amenities in the parish, and a continued focus on efficiency in operations without increasing taxes.

DEPARTMENT OF PUBLIC WORKS

Over the past few years, the Department of Public Works has focused on maintaining the roads/bridges and water improvement projects in the parish. Grant programs during this fiscal year have allowed for the construction of the Plettenberg Bridge over Polly Creek, the replacement of two critical bridges on Sligo Road and the design of the Jones Connell Bridge. The parish also installed and upgraded all water meters throughout the parish, completed the water consolidation project including installation of Weyanoke Well #2 and constructed a new water/wastewater operations facility. The proposed Department of Public Works' budgets for FY 25-26 include:

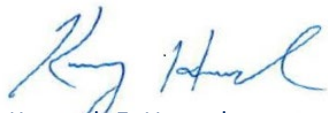

- Purchasing a dump truck for the road department.
- Developing a comprehensive road overlay program including design and estimates of future costs.
- Continuing to leverage available state and federal funds for infrastructure improvements and explore all funding opportunities.

PARKS & RECREATION

Over the last two fiscal years, our park has seen the installation of a disc golf course, upgrades to the playground which include shade coverings and play features for several age groups, resurfaced tennis courts, and LED lighting installed throughout the park. The proposed Parks and Recreation budget for FY 25-26 includes:

- Installation of turf in Quad A.
- Design of a rodeo arena cover proposed to be funded by the General Fund's revenue and LAMP account funds.

The Parish will continue to focus on economic development opportunities for all citizens, increasing our sales tax revenues, protecting our infrastructure and ensuring our quality of life remains a priority. Together I look forward to continuing our fight for our community.

Kenneth E. Havard
Parish President

Additional Notes

**Funds 106 and 302 are budgeted to close in a deficit. These funds are budgeted to utilize the available cash/fund balance to cover the proposed deficit.*

**Funds 405, 406, 407, and 408 are budgeted to close in a deficit for FY 25-26 with the General Fund covering those deficits.*
